FRANCES WILCOX, The Face Specialist

Says: "It is the duty of every woman to improve
her complexion and refine her skin. There is really
no need for a woman to be prematurely lined with
wrinkles or to have pimples, blackheads, coarse pores
or other blemishes. Even superfluous hair can be
removed.

It is true some women say: "I don't believe in such
nonsense." Such a person always looks the part, and
will try and discourage your pride and ambitions. Let
me advise you. I know from experience.

IF YOU'RE LOOKING FOR A SWEETHEART

(Just Take Me Home With You)

Words by RICHARD A. WHITING

Music by GUS WINKLER

Moderato

Composer of "Spoon, Tun, Lovin' Melody"

The musical score is written for voice and piano. It begins with a piano introduction in G major, 4/4 time, marked 'Moderato'. The piano part features a steady eighth-note accompaniment in the right hand and a more active bass line in the left hand. The vocal melody enters in the second measure. The lyrics are: 'I'm so sad, I feel so bad, I'm tired of life with all its strife, I'm real-ly don't know what I'm ev-er goin' to do; My hon-ey's gone, I'm lonesome for some lov - in' all the whole day through; I want to die, I all a-lone, I don't know when in all my life I've been so aw-ful blue. But want to cry, And when it comes to shedding tears, Why I can shed a few. So'. The tempo changes to 'Vamp' for the final section, which is a slower, more expressive piano accompaniment. The score ends with a final piano chord.
